Amvets Post 4250

Commander: Jim Hart

I would first like to Thank our outgoing Commander Dan Boutel and his staff for their service to this Post, and I know and appreciate their continued service here with us. My name is Jim Hart, as your new commander I hope to be as successful as Dan. Success however only comes from strength and that strength comes from numbers. There is a old saying “together we stand, divided we fall”. This Post and the work of it for our beloved fellow Veterans will be greatly improved only if we all stand strong and offer our service as those in the past have. My plans for this coming year hinge on this one point, this is not a one person band. No one person or small group can do it all or even do it effectively. I hope my words of introduction here are not to strong or result in alienating my fellow Veterans, I do however feel that what I have said here is nothing but the truth. I hope to see more of my fellow Amvets at the next membership meeting on June 5th and we host the Fish Fry on June 8th. The new officers on our staff or command is as follows:

1st Vice – David Reese

2nd Vice – Gene Kovach

Judge Advocate – Will Power

Sargent at Arms – Frank Wolever

Treasurer – Bob Miller

Adjutant – Char Morris

Thank you all, for your service to our country and to this Post, not just our officers but to all of our members.
